ELECTIVE

A ACFB: BASIC

Elective I	
Introduction to Mental Health	Sem. 3
Strategies for Health Promotion	Sem. 3

Optativa II	
Occupational Medicine	Sem. 4
Sports Medicine and Rehabilitation	Sem. 4
Genomic Medicine	Sem. 4

A ACFP-F: ESSENTIAL PROFESIONAL

Optativa I	
Organ and Tissue Transplantation	Sem. 5
Sexuality	Sem. 5
Principles of Surgical Techniques	Sem. 5
Complementary Medicine	Sem. 5

Optativa II	
Seminars on the Introduction to Internal Medicine	Sem. 6
Anesthesia and Pain Management	Sem. 6
Palliative Care	Sem. 6

A

GENERAL STUDIES MCP**Optativa I**

Application of Information and Communication Technologies in Health Sciences	Sem. 1
Strategies and Study Habits in Health Sciences	Sem. 1
Communication Skills	Sem. 1

Optativa III

English	Sem. 3
Technical English	Sem. 3
Foreign Language	Sem. 3

Optativa II

Application of Information and Communication Technologies in Health Sciences	Sem. 2
Strategies and Study Habits in Health Sciences	Sem. 2
Communication Skills	Sem. 2

Optativa IV

English	Sem. 6
Technical English	Sem. 6
Foreign Language	Sem. 6
