

## First cycle

1º semester	2º semester
ACFI-G 2C Culture of peace and human rights Ob	ACFI-G 2C Ethics, transparency and culture of legality Ob
ACFI-G 2C Social responsibility and sustainable development Ob	ACFI-G 2C Leadership, entrepreneurship and innovation Ob
ACFI-G 2C Gender equality, sexual diversity, and inclusion Ob	ACFI-D 2C Introduction to health sciences Ob
ACFI-D 2C Cell biology Ob	ACFI-IP 4C Physical Chemistry Ob
ACFI-IP 5C General chemistry Ob	ACFI-IP 2C General physics Ob
ACFI-IP 4C General mathematics Ob	ACFI-IP 5C Biochemistry Ob
ACFI-IP 4C Human anatomy Ob	ACFI-IP 2C Biostatistics Ob
ACFI-IP 2C Information technologies Ob	ACFI-IP 2C Cell physiology Ob
23C	21C

## Second cycle

3º semester	4º semester	5º semester	6º semester	7º semester	8º semester	9º semester	10º semester
ACFB 3C Cell and tissue biology laboratory Ob	ACFB 2C Scientific English I Ob	ACFB 2C Scientific English II Ob	ACFB 2C Scientific English III Ob	ACFP-F 4C Food analysis Ob	ACFP-F 3C Forensic Analysis Ob	ACFP-F 3C Elective IV professional studies - fundamental curricular area Op	ACFP-I 2C Seminar for professional performance Ob
ACFB 3C Morphological sciences Ob	ACFB 7C Applied analytical chemistry Ob	ACFB 5C Molecular biology Ob	ACFP-F 3C Pharmacology and toxicology Ob	ACFP-F 3C Quality assurance Ob	ACFP-F 3C Instrumental analysis applied in the clinical area Ob	ACFP-I 3C Elective I professional studies - integrative curricular area Op	ACFP-I 2C Research seminar III Ob
ACFB 7C Organic chemistry Ob	ACFB 5C Organic analysis Ob	ACFB 3C Instrumental analysis Ob	ACFP-F 5C Clinical biochemistry Ob	ACFP-F 3C Elective II professional studies - fundamental curricular area Op	ACFP-F 3C Elective III professional studies - fundamental curricular area Op	ACFP-I 4C Preparation for the general final exam Ob	ACFP-I 20C Elective II professional studies - integrative curricular area Op
ACFB 7C Fundamentals of analytical chemistry Ob	ACFB 3C Medical physiology Ob	ACFP-F 3C Basic hematology Ob	ACFP-F 5C Blood bank and transfusion medicine Ob	ACFP-I 2C Research seminar I Ob	ACFP-I 2C Research seminar II Ob	ACFP-I 2C Supply management for clinical laboratory Ob	
ACFB 3C Fundamentals of microbiology Ob	ACFB 2C General pathology Ob	ACFP-F 2C Fundamentals of genetics Ob	ACFP-F 2C Laboratory management Ob	ACFP-I 14C Clinical pathology I Ob	ACFP-I 14C Clinical pathology II Ob	ACFP-I 16C Social service Ob	
	ACFP-F 4C Medical mycology and virology Ob	ACFP-F 5C Medical bacteriology Ob	ACFP-F 3C Elective I professional studies - fundamental curricular area Op				
	ACFP-F 2C Basic immunology Ob	ACFP-F 3C Medical parasitology Ob	ACFP-I 4C Clinical microbiology Ob				
23C	25C	23C	24C	26C	25C	28C	24C

## Legend

### First cycle

- ACFI-G** General studies - initial.
  - ACFI-D** Disciplinary studies - initial.
  - ACFI-IP** Introduction to the profession studies - initial.
- Students must pass all modules in the first cycle to progress to the second.

### Second cycle

- ACFB** Basic studies.
- ACFP-F** Professional studies - fundamental.
- ACFP-I** Professional studies - integrative.

### Module requirements

- > Currently enrolled in.
- > Having completed.
- > Having passed.

- Non-school (online or virtual) modality.
- Blended modality (combines in-person and non-in-person learning).
- School-based (in-person) modality.
